Dividend Program Update

The City of Newport Beach Dividend Program has been an enormous success for the community. As of October 31, 2014, the program has waived over ***\$1.523 Million*** in private development related fees. This equates to over ***\$74.8 Million*** in new building permit value invested in the community.

For answers to questions or additional information please contact the Community Development Department at (949) 644-3200. The last day of the program is December 12, 2014.
